

FOLLETT DESTINY® FUNDRAISING MANAGER

Greater educational impact. Down to the penny.

COMPLETE YOUR COMPREHENSIVE EDUCATIONAL ASSET MANAGEMENT PICTURE WITH DESTINY FUNDRAISING MANAGER.

Rooted in transparency, Destiny Fundraising Manager revolutionizes educational fundraising, providing administrators with unparalleled control and visibility, enabling precise tracking of every dollar from inception to impact, all while nurturing a culture of transparency in the business of education.

With its intuitive interface that makes giving easy and reporting even easier, all participants in educational fundraising can benefit.

PURPOSE-BUILT FOR IMPACT, INTUITIVELY DESIGNED FOR ALL

The intuitive user interface built into Destiny Fundraising Manager provides administrators the oversight, tracking, and reporting needed to form a comprehensive picture into district-wide financials down to the penny. With a centralized district fundraising dashboard and customizable campaign approvals and workflows, administrators can gain insights and visibility into fundraising efforts that foster community engagement and align with district objectives – all while putting funds to work faster.

Supporters can effortlessly and flexibly contribute using an intuitive cashless application secured by Stripe, guaranteeing that their funds are traceable and directed towards the intended fundraising initiative.
